TAX INFORMATION

Utah Heritage Credit Union has the ability to retrieve your important 2018 tax documents.

Just log into online banking:

Click on Tax Info on the left hand side of the screen:

- Tax information will be sent separately from your account statement
- Per IRS guidelines, 1099-INTs will only be issued when accounts aggregate interest of \$10 or more.

Community Give Back

During the Christmas Holiday with help from our members and their loan extensions we were able to donate to Shop with a Cop, food bank, and other charitable organizations.

THANK YOU to our members for making

2018 another successful year!

Stop cold and flu germs

Remember the basics:

Carry tissue: Use it when sneezing or coughing. Don't use your hands. If you don't have a tissue turn your head away and cough into your sleeve.

Wipe down surfaces such as a steering wheel or remote control device before using them.

Don't share things such as phones, computers, or eating utensils. Avoid touching things in public places as much as possible.

Carry hand sanitizers. Alcohol-based solutions can reduce but not eliminate microbes.

Wash your hands often. Use soap and warm or cold water for 20 seconds, especially after blowing your nose or touching objects or surfaces that sick people have touched.

Keep your fingers and hands out of your eyes, nose and mouth.
